

LeadCraft

THE LEADERSHIP TOOLKIT

In this experiential and collaborative board game, discover 10 leadership tools and use them to lead your team.

The boardgame creates an environment of intense peer learning, sharing, challenge, and play. Real world business situations and challenges ensure that learners have a meaningful and relevant learning experience.

TOOL CARDS

All participants receive 10 playing cards with a description of each tool.

How does the board game work?

Learners are divided into four teams, and each team takes on the role of a leader who needs to steer a team through a crisis situation. Teams need to collaborate to identify the right leadership tool that should be used in each situation. Choosing the right leadership tool ensures that the team moves forward.

Dramatic team and Act Of God events keep learners enthralled and continuously engaged.
